- **Indy has received more snow this year than last year—and winter isn't over!**
 - Anytime snow or ice is in the forecast, the City activates Indy Snow Force, and at least 160 drivers will be salting and plowing the primary and secondary streets in a 24 hour period.
- **Ice Storm of 2011**
 - DPW received an incredible amount of positive feedback from residents
 - Typically, we only go into residential areas if there is a 6" snow event; but the City worked hard to find a way to get into residential areas under these extraordinary circumstances.
